peers.**

At EBI we are committed to provide the best-in-class human capital development services to every member of the banking ecosystem in Egypt, African and Arab countries, by mirroring the latest international banking trends with a vision to continue being the preferred partner for developing the human capital and the lighthouse for banking sector development.

We are fully aware that our clients deserve to have access to innovative human capital development solutions to support them into having a successful outlined vision and expand the cultural agility in order to develop varied strategies. With this in mind, every EBI citizen is committed to always reinventing, transforming and creating step-change innovation in adult learning.

EBI's values of ownership, customer centricity, people development, continuous innovation, execution & discipline & cooperation and synergies are the cornerstone of developing our services to stay abreast with the technological and human capital development trends. I invite you to check the new edition of EBI's training catalogue aiming it will provide you with rich learning solutions needed to support your business growth.

About EBI

The Egyptian Banking Institute (EBI) was established in 1991 by the Central Bank of Egypt (CBE) to act as its official training arm with a vision to be the preferred partner for developing the human capital of the banking ecosystem in Egypt, and the lighthouse for banking sector development across strategic African and Arab countries, through mirroring the latest international banking trends.

Crowning the continuous organizational commitment for quality training and adherence to international quality standards, in 2009 EBI was the first accredited financial training institute in Egypt and the MENA region by the Accrediting Council for Continuing Education and Training (ACCET) for five years. EBI succeeded in obtaining the reaccreditation for 2 more terms ending in 2024. In addition to this, EBI's Interactive Distance Learning (IDL) instructional methodology and e-learning programs has been also accredited by ACCET in 2021.

On a CSR level, EBI's initiatives focus on spreading financial literacy, supporting people with special needs to facilitate their studying process and linking graduates with special needs with banking sector hiring officials.

Vision - Mission - Values

Vision

To be the preferred partner for developing the human capital of the Egyptian banking ecosystem, and the lighthouse for banking sector development across strategic African and Arab countries.

Mission

To provide best-in-class human capital development services to the banking ecosystem in Egypt and strategic African and Arab countries, by mirroring the latest international banking trends.

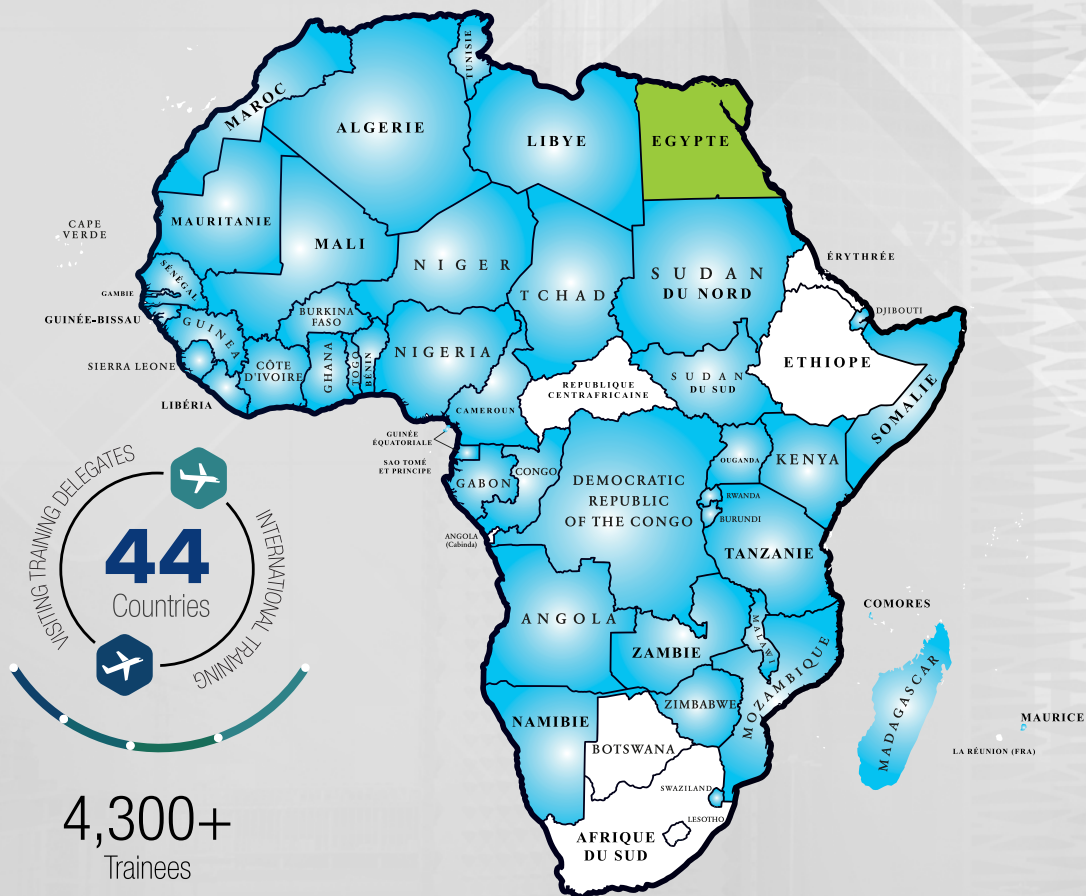

Values

- Customer Centricity
- Execution and Discipline
- Ownership
- Cooperation and Synergies
- People Development
- Continuous Innovation

African Presence

EBI takes pride in its continuous efforts to amplify its activities across the African continent with a goal to support African banking sector human capital development. Under the auspices of the Central Bank of Egypt, EBI provided its training services in 44 countries with more than 4300 African trainees and takes pride in its partnership with leading African banking institutes to enhance knowledge sharing across the continent.

Testimonials

Mr. Gamal Negm

Deputy CBE Governor
& Deputy Chairman,
EBI Board of Directors

“ Another stride is achieved by the EBI, through launching a new digital training catalogue to be accessible for all banking sector employees to keep them updated with the latest available training services in a timely manner. This launch comes in line with the objectives of the Institute’s strategic plan (2021-2026). The Egyptian Banking Institute - the training arm of the Central Bank of Egypt - has played a prominent role, since its establishment in the early 90’s, in developing the human capital within the Egyptian banking sector. I look forward to the upcoming period with the aspiration that the institute will expand its services to our international partners, and invest its great potentials to become a leading regional center for financial and banking training in the Arab world and Africa. ”

Mr. Ramy AbulNaga

Deputy CBE Governor
& EBI Board Member

“ EBI has provided the banking sector at large with quality courses that are consistently available. These courses have helped supplement knowledge within several areas and has led to an enhancement of skills over the years. EBI has proven its ability as an institution to adapt as of late to the Covid-19 pandemic by offering more courses online; and it is my belief that this culture of versatility will remain in the years to come. ”

Testimonials

Mr. Mohamed El Etreby
Chairman - Banque Misr

“ For 20 years now, Banque Misr has been in a long-standing partnership with EBI. Throughout these years, EBI has supported us consistently and provided great learning opportunities to Banque Misr employees that truly correspond to our requirements. EBI has also consistently developed internally to rival world-class banking institutes, and has a proven record in being highly responsive and flexible in all provided training and consulting solutions, thus driving our adaptation to the evolving global banking industry. Banque Misr appreciates all EBI's impactful services, including training, publications, webinars, and conferences. Ultimately, we wish to continue this partnership for many years to come. ”

Mr. Tarek Fayed
Chairman, Banque Du Caire
& EBI Board Member

“ Being Banque du Caire's Strategic Learning partner; we share with EBI our Learning and Development journey, enabling/enriching our people with all their well-known, distinguished, insightful and engaging support. EBI inspires the awareness and the appetite for continuous Development, serving the entire Egyptian Banking Sector with their bounty learning diversities, granting us our competitive and supportive edge within the Egyptian Market. And as all testimonial... usually end with development suggestions; in EBI's case we simply request them to keep their Great Success Story glowing and growing. ”

Testimonials

Mr. Dante Campioni
Managing Director and CEO
of ALEXBANK
& EBI Board Member

“ Since my arrival in Egypt, I learnt to admire the role of EBI in the banking sector and its achievements across the long years of activity, as one of the most important and successful CBE’s initiatives. The EBI is capable to offer the most advanced training courses to address the development of “hard” and “soft” skills across the entire spectrum of bank’s personnel, including the most Senior Management. The continuous development of technical and managerial competences is one of the pillars sustaining the strength of any banking sector, and for the strength achieved by the Egyptian banking sector, certainly part of the merit goes also to the successful fulfilment of the mission assigned to the EBI. I am very happy that EBI’s efforts have not gone unnoticed, as EBI was awarded this year as ‘Best Financial Training Institute in the MENA region’ by Capital Finance International magazine. I am confident that EBI’s contribution will not only continue to be an essential element in the development of Egypt’s Banking Sector, but also a reference point for the banker’s formation in the African continent in the years to come. ”

Mr. Yehia Abou Elfotouh
Deputy Chairman, NBE
& EBI Board Member

“ Learning & development are the cornerstone in sustainable development, EBI is our strategic partner that represents a unique experience with a real value added by providing advanced training programs, with a focus on trendy topics such as AI, Sustainability, cybersecurity & financial inclusion required for developing banker’s performance and competitive edge. That’s what we believe in and expect from EBI. ”

Testimonials

Mr. Ihab EL Sewerky
Managing Director & CEO
Abu Dhabi Commercial Bank

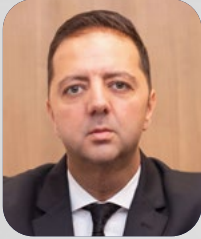

“ EBI is our training partner of choice. ADCB brand has been recently established in Egypt, and we count on EBI for building and raising the capacities of our team aiming to reach the highest standards of service excellence and to become the preferred bank for our customers. In our coming milestones, we will depend on EBI to continue to offer diversified training programs for the banking sector to meet and overcome the growing national challenges. ”

Ms. Hala Sadek
CEO and Board Member
Ahli United Bank - Egypt

“ Working hand in hand with the Egyptian Banking Institute to advance our talent and enhance their skills has always been a rewarding experience. With all the new alliances that EBI formed with renowned Institutions around the world to provide excellent learning opportunities, I am confident that our teams will always be exposed to the latest trends and changes in the financial world. ”

Testimonials

Mr. Amr EL Bahey
Mashreq Egypt CEO

“ I am highly impressed by the excellent services provided by EBI. The programs are diverse and innovative and the trainers are top notch, dealing effectively with the diverse roles and experience levels of all our staff. Given the numerous partnerships and enhancements it has completed over the last few years, EBI has become an indispensable training provider to the banking sector. ”

Mr. Akef EIMaghraby
Deputy Chairman, Banque Misr
& EBI Board Member

“ In light of Banque Misr’s belief that our employees are our most valuable asset, EBI has never ceased to assist us in enhancing our strategy over the last 20 years, by providing all necessary training and consulting solutions, showing outstanding agility in dealing with the COVID-19 pandemic, and offering diversified online training courses and customized solutions. EBI has a thorough understanding and awareness of all aspects of the Egyptian banking sector, including the evolving digital transformation needs, aligning with the global markets and worldwide financial developments. ”

Testimonials

Mr. Hazem Hegazy

CEO & Vice Chairman
Al Baraka Bank Egypt

“ The banking industry became very dynamic that it has become crucial for all individuals working in the banking industry to continuously stay informed and educated with the latest policies, regulations, and trends of the industry. EBI’s highly structured training programs and efforts in utilizing the latest technologies especially during the Pandemic period enabled our staff to be ready to assist customers with their queries and resolve any issues efficiently and effectively. EBI programs enable our employees to create and be part of a reputable competitive financial organization that caters to all our customer needs while keeping up with the latest trends and the global changes. We are proud that we have an institution like EBI which acts as the official training arm of the banking in Egypt and provides high standard services and we look forward to more collaborations with the institution in the future. ”

Testimonials

Mr. Raj Sood
Commercial Director of
Euromoney Learning

“ Our relationship with the Egyptian Banking Institute is a partnership that we've enjoyed for over ten years and it works successfully because EBI and Euromoney Learning both share a common value of delivering high quality training to the banking industry. So, over those ten years, we've delivered programs for EBI that include Financing, Credit, FinTech, Supply Chain Finance and improving Board Effectiveness.

And EBI has really helped us to increase our reach and visibility to clients that would not have otherwise been able to access the training that Euromoney Learning has got to offer. If I was going to describe EBI in just one word, it would be credibility. I'd like to take this opportunity on behalf of all of us at Euromoney Learning to thank you the Egyptian Banking Institute for this partnership. ”

Mr. Chris Jenkins
Head of ZISHI Group

“ Partnering with EBI has been exceptionally rewarding, we've learned so much and grown in tandem through unprecedented times in the previous few years. We managed to do that whilst ensuring Egyptian bankers continue to get the best training, keep up the good work and long may our partnership continue. ”

Testimonials

Ms. Kathleen Berman
Vice President, Marketing &
Communications, Graduate
School of Banking

“ We have been working closely with EBI to identify and bring high potential talented bankers to the United States for world class learning and networking. We appreciate this partnership very much, and we have really enjoyed meeting and sharing knowledge with our Egyptian banking friends. EBI has been an instrumental partner in helping us identify and bring appropriate bankers to the City of Madison, Wisconsin or in some cases, to run digital programs virtually so that people can stay right where you are in Egypt. It is a pleasure to work with EBI, the staff is terrific, efficient, organized, very customer focused and we really enjoy this partnership. ”

Andrew Barnes
CEO, GO1

“ Egypt has always been a strategic market that we were keen to establish our footprint in. We are pleased that we partnered with the pioneering Egyptian Banking Institute via our distribution partner, Consultrics. This partnership will make it easy for banks in Egypt to quickly access our extensive library which offers much depth and breadth. ”

Flagship Programs

Future Leaders Program

558 hrs

English

Blended

Program Description

The “Future Leaders” is an interactive blended program designed to identify those who have leadership personalities, who are capable, innovative, and motivated enough to generate ideas for improving processes, quality, and service. Future leaders are also capable of converting their creative ideas into reality in order to enhance their organizations’ competitiveness.

This program capitalizes on the participants’ uniqueness, strengths, aspiration, and ability to apply their knowledge in real-life situations. The activities of this program will be the building blocks for the participants’ holistic development and hands-on experience. The program will enhance the technical knowledge of the participants as well as their leadership skills through in-class training, online interactive distance learning sessions, business simulations, e-learning, seminars, case studies, experiential learning, and international exposure.

Target Audience

Participants who meet the following:

- Minimum 12 years of banking experience
- The age is between 35- 45 years old
- Perceived as a potential leader by his/her bank
- Managing teams with a minimum of 4 members
- High level of interpersonal skills and positive learning attitude

Emerging Leaders Program

324 hrs

Bilingual

Blended

Program Description

Competitiveness became the magic word all over the world. Investing in people is the core pillar for creating the human capital needed to achieve the promising solid economic programs. Banking sector, through the reform era has been directing a huge investment for banking calibres in order to be the promising emerging leaders. Up to date technical, economic and financial knowledge, as well as, soft and business skills are becoming essential tools for creating qualified leaders.

ELP is a tailored Blended program addressing a balanced combination between technical, management, and leadership knowledge. It focuses on equipping potential leaders in the banking sector with a thorough understanding of the technical aspects and leadership best-practices that have direct impact on the banking sector and their success.

Target Audience

- Potential leaders with minimum 6 years of experience in the banking sector.
- between 28-40 years old

Data Analysis & Data Science Track

120 hrs

Bilingual

In-Class

Program Description

Today's businesses don't just collect data – they are data. By capturing every interaction, businesses know who they are and what they do. Yet despite this wealth of information, many businesses fail to use it to their advantage. Data points should be assets, not opportunities lost. "Data analysis and Data science" track is designed to apply mathematical principals to the analysis of data to come up with descriptive, predictive & prescriptive models. As advanced analytics and the use of data has been of major importance for increasing business revenue, better customer satisfaction, business decision making and improving operational efficiency, the track takes you through the use of machine learning and its major techniques for real-life use cases. It teaches you how to code all this using Python, which is one of the major programming languages used by data analysts and data scientists. This track does not require any prior programming or statistical skills.

Target Audience

- IT Professionals
- Software Professionals.
- Personal who want to begin their career in Data Science.
- Data analysis professionals
- Anyone, who wants to gain their expertise in data science and advanced data analytics.
- Professionals who have access to data that can be analyzed to come up with important business, customer insights.

Assessment Services

Assessment Services

Among the assessment services that can be provided to undergraduate students in universities is the Cambridge English Language Assessment "Linguaskill" exam with our solutions for online remote assessments. Linguaskill is a quick and convenient online test that will help you test all four language skills: speaking, writing, reading and listening.

As for final year students in universities, in addition to the aforementioned English language test, one of the psychometric questionnaires as well as aptitude tests can be performed, followed by a session to discuss the results of this assessment in order to identify the personality type and its capabilities and the aspects that can be developed.
